You agree to provide us with any additional documentation we may require for access to your account. If you apply for an account or service via Electronic Banking or ask to change an account or service you already use with us, you agree that we can treat your application or request as if it had been made in writing and signed by you. You understand by enrolling for Bill Pay that you authorize us to investigate and verify any information supplied by you. You authorize us to make any credit or investigative inquiry that the bank determines is appropriate to utilize Bill Pay services.

Since your login credentials are used to identify you as an authorized user of the Services, you agree to notify us immediately if the secrecy of your Password or biometric identifier has been compromised, and you also agree not to reveal your Password to any person not authorized to use the Services. The security of your Account depends upon maintaining the secrecy of your Password. You may change your Password at any time while you are using the Services. In order for the credit union to maintain the security of your Services account(s), we reserve the right to revoke, suspend or cancel your Service(s) at any time without giving you prior notice. If this is allowed, you understand that the individual(s) whose biometrics are stored on the device may have the ability to authenticate in your mobile banking session and have access to sensitive data and account functionality. You are solely responsible for any access granted to your mobile service.

(g) Protecting Your Account - You are solely responsible for maintaining the secrecy of your login credentials. For your protection, we recommend you memorize this information, do not write it
